### **DETAILED ACTION**

1. This Office Action is responsive to the Amendment filed 18 June 2010. Claims 13, 15-20, 31, 33 and 35-43 are now pending. The Examiner acknowledges the amendments to claims 31 and 35, as well as the cancellation of claims 32 and 34.

### ***Allowable Subject Matter***

2. Claims 13, 15-20, 31, 33 and 35-43 are allowable over the prior art of record. The following is an examiner's statement of reasons for allowance: regarding claims 36-43, while the prior art teaches a method of treating stuttering via a bone conduction hearing apparatus, the prior art of record does not teach or fairly suggest a method of treating stuttering as claimed by Applicant, wherein the user's voice is directed back to the user through the apparatus such that there is a delay in stimulating a first cochlea relative to the second cochlea.

Regarding claims 13, 15-20, 31, 33 and 35, while the prior art teaches a method of treating stuttering via a bone conduction hearing apparatus, the prior art of record does not teach or fairly suggest a method of treating stuttering as claimed by Applicant, wherein the received user's voice directed back to the user is received by the first cochlea before it is received by the second cochlea.

### ***Conclusion***

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
